

The last term of an arithmetic sequence is given by the formula

\_\_\_\_\_.

A)  $l = a + (n - 1) d$

B)  $l = a + n d$

C)  $l = a + (n + 1) d$

D)  $l = a + n^2 d$

The last term of an arithmetic sequence is given by the formula  
 $l = a + (n - 1) d.$

Answer **A.**
