

The perimeter of a rectangle is given by the formula $P = \underline{\hspace{2cm}}$.

- A) $l + w$
 - B) $\frac{l + w}{2}$
 - C) $2l + 2w$
 - D) $l \frac{w}{2}$
-

The perimeter of a rectangle is given by the formula $P = \underline{2w + 2l}$.
Answer **C**.
